"GAME ACT."

HIS HONOUR the Lieutenant-Governor in Council has been pleased to rescind regulations numbered 1 to 11 under the heading "Registration of Trap-lines," made by Order in Council No. 909, approved the 18th day of August, 1925, and all amendments made to said regulations, and to make regulations pursuant to sections 41 and 41A of the "Game Act" as follows:—

REGULATIONS.

1. These regulations shall not apply within the area of any municipality; nor within the area of the Electoral Districts of Saanich, Nanaimo, and The Islands; nor within that part of Esquimalt Electoral District which lies east of the right-of-way of the Canadian Northern Pacific Railway Company running from Victoria to Cowichan Lake; nor within any area comprised in the islands adjacent to Vancouver Island or to the mainland of British Columbia which lie south of a straight line running from the mouth of Oyster River on Vancouver Island to Powell River on the Mainland.

2. No person shall trap fur-bearing animals or set or cause to be set any trap therefor, except within the limits of a trap-line duly registered pursuant to these regulations of which he is the holder.

3. Every applicant for registration of a trap-line shall make application therefor on a form prescribed by the Game Commissioner, furnishing true information as to the following matters:—

- (a.) Full name of applicant:
- (b.) Full address:
- (c.) Nationality:
- (d.) Occupation:
- (e.) Length of residence within the Province:
- (f.) Serial number of his licence to trap fur-bearing animals (if any):
- (g.) Full description of trap-line, showing location and sufficiently defining said line by reference to the nearest known natural and geographical points:

(h.) The number of years applicant has trapped said line and the name of the persons who previously trapped upon the said line, such particulars to cover as great a number of years as possible:

(i.) Particulars as to the marks or signs set out denoting the boundaries of the trap-line.

4. Except in the case of Indians who are residents of British Columbia, no application for registration of a trap-line, or for renewal of registration, shall be acted on unless the applicant is the holder of a licence to trap fur-bearing animals.

5. No person shall be registered as the holder of more than one trap-line.

6. Upon being satisfied that the area applied for as a trap-line is suitable for the purpose and that trapping is warranted therein, and upon approving of the application, the Game Commissioner may register the trap-line and issue to the applicant a certificate of the registration thereof. The granting of the application and the allotting of a trap-line shall be in the sole discretion of the Game Commissioner, and his decision shall not be subject to any appeal.

7. Every holder of a registered trap-line shall blaze or otherwise mark such line in a manner which will sufficiently indicate the same on the ground.

8. No bird or animal or any part of any bird or animal shall be used as bait on any trap-line during any period when the hunting or killing thereof is unlawful in the district wherein the trap-line or any part thereof lies.

9. Every holder of a registered trap-line shall, immediately upon the expiration of his licence to trap fur-bearing animals, submit a report to and on a form prescribed by the Game Commissioner, showing the fur-bearing animals taken on the trap-line within the period during which he held the licence.

10. Registration of a trap-line shall be for the period ending on the thirtieth day of June next following the date of registration or of renewal of registration, as the case may be; but the registered holder of a trap-line may, on or before the thirty-first day of October next following the expiration of registration, apply for a renewal of the registration for a further registration period. The registered holder of a trap-line for which application for renewal of registration has not been duly made pursuant to these regulations or has been refused by the Game Commissioner shall *ipso facto* forfeit all rights thereto, and registration of the trap-line may be applied for by any qualified person: Provided, where the Game Commissioner, in the interests of conservation, has directed or consented to the fur-bearing animals on a trap-line remaining untrapped during any period, and where the last registered holder, if he requested the same to remain untrapped, continues during that period to be the holder of a licence to carry firearms, the Game Commissioner may preserve to that holder the first and preferred right to apply for registration of the trap-line when it is next opened for trapping.

11. The Game Commissioner may issue a special certificate of registration to the holder of any registered trap-line securing the exclusive use of the trap-line to the holder for a period of five years, with the right in conformity with the provisions of the regulations from time to time in force to the renewal of registration for a further period of five years; but subject in every case to the holder continuing to be the holder of a licence to trap fur-bearing animals, and to the full observance by him of all provisions of the "Game Act" and regulations thereunder from time to time in force, and to the payment of such special annual registration fee (if any) as may from time to time be prescribed.

DOMINION ORDERS IN COUNCIL.

P.C. No. 2080.

CERTIFIED TO BE A TRUE COPY OF A MINUTE OF A MEETING OF THE COMMITTEE OF THE PRIVY COUNCIL, APPROVED BY HIS EXCELLENCY THE GOVERNOR-GENERAL, ON THE 17TH OCTOBER, 1929.

THE Committee of the Privy Council have had before them a report, dated 10th October, 1929, from the Minister of the Interior, submitting that Mr. A. M. Peppar, of Vancouver, British Columbia, has applied to lease a fifteen-acre parcel of land, described as the southerly fifteen chains of the easterly ten chains of the South-west Quarter of Section Twenty-nine, Township Thirty-nine, west of the Coast meridian, for the purpose of fish culture.

The land is available in the records of the Department and the applicant has secured the necessary water rights from the authorities of the Province of British Columbia.

The parcel has been inspected by an Agent of the Department of the Interior, who reports favourably regarding the lease. The Assistant Deputy Minister, Department of Marine and Fisheries, reports that the departmental regulations do not prohibit the granting of a lease as herein referred to.

The Minister, therefore, recommends that a lease be granted to the applicant for a term of five years, at an annual rental of fifteen dollars, and that a clause be inserted in the lease that the parcel be used for no other purpose than the hatching and rearing of fish, and that the lease may be terminated upon one year's notice, and to be upon such other conditions as may be deemed necessary to impose.

The Committee concur in the foregoing recommendation and submit the same for approval.

(Signed) E. J. LEMAIRE.

Clerk of the Privy Council.

To the Honourable

The Minister of the Interior.
